

England Rugby Legend

Jason Leonard MBE

coming to Old Ruts this Monday 21st March

We have great pleasure in welcoming Jason Leonard to Old Ruts for an evening of rugby training and socialising. Jason is a true rugby legend of England, the British & Irish Lions, Harlequins RFC and of course his first club Barking RFC.

He made his England debut at the age of just 21 and went on to span a 14 year international career, playing at prop, and earning what was a record 114 caps for England, including a key role played in winning the rugby world cup final in 2003. He also won 5 caps for the British Lions and made a staggering 290 appearances for Harlequins.

He was President of the RFU from 2015 to 2016 and is also the current Chairman of the British & Irish Lions.

The format of the evening will involve some training, with Jason's input from 6.30pm to 7.30pm then we will open up the upstairs hall at the club for a social Q&A with Jason, which will finish by 8.30pm. The bar in the hall will also be open on the evening and we will also offer some light snacks before and afterwards. No need to book, feel free to come down and watch the training, have a drink and then the Q&A. Youngsters very welcome!

Jason was also involved with Ruts Kenya as seen from this shot from a few years ago.
